NORTH TORRANCE TATTLER
By MRS. HEENE ALLISON
MElo 4-2450

The Easter bunny has come and gone and in his wake left eggs everywhere! Pink eggs, blue eggs, even hand-painted eggs! Little children scarcely big enough to walk still carried a basket. Easter morning was very inspiring. Up and down the streets the parents with their children left for church. It was a real Fifth Ave. out our way with new bonnets of every description, navy and white, pastels with veiling and most every little girl proudly carried her white gloves! Little Gail Adams looked like something just off the pen of Louisa Mae Alcott with her brown hair to her waist and loads of lavender and green ruffles! Mary Jan Bates was as elegant as any 6-year-old could be who had just had a "Poodle Wave!"

Sincere wishes for a most speedy recovery are sent to Mrs. Mildred Kupka, 4247 W. 178th Pl. who is in the Centinela Hospital for surgery.

The Leiningers, Pat and Dorothy, of 4203 W. 179th St., entertained Pat's mother, Marie Leininger, and brother Jack for the Easter holiday. Jerry had a very spotted Easter; you guessed it, measles!

Perhaps many of you will be glad to know that in our own neighborhood we now have a venetian blind laundry and renovating concern. The M. A. Twists, 17016 Crenshaw Blvd., who hail from Minneapolis, in Torrance, Joan and Jerry. Mrs. Beth is the manager of this new shop and is quite proud of the very excellent job she is capable of doing with her new machine recently purchased to wash venetian blinds at the Avon Venetian Blind Laundry in the rear of the Crest-Manor Beauty Shop, Crenshaw Blvd. at 174th St. Good luck to the Twists on this new venture!

Four of our boys spent a very exciting week-end in the Gulf of California area near Penasco, Mexico, doing some spear-fishing. Sounds fascinating, and I hear it can be very much fun. Those returning to Penasco were Jerry Downing, Tom Pryor, Dave Mario and Vern Lewis.

Glenn Blake, 3761 W. 176th St., has opened a cafe at 6176 Redondo Beach Blvd. and specializes in steaks and chicken, so drop in and try his wares at this new addition to the community. He calls it Ballantines.

The Campfire Girls have been having fun during their holidays, according to Leader Betty Johnson. The 30 that attended the skating party at Gardena Rink really had an enjoyable evening. Later in the week the Campfire Girls gave an Easter egg hunt at Torrance Park for the Bluebirds which proved to be quite a day. The Babson twins, Joan and Jeanette, carried off all honors, winning both the prize for finding the most eggs and the prize egg which had a Blue Bird painted on it.

A gay affair in honor of Jerry Bronson's birthday brought out the Delbert Alford, Bert Johnson and the Hamilton Blacks at the Bronson home, 17229 Atkinson Ave.

Where could you find a more appropriate place to spend Easter than Knotts' Berry Farm? Nowhere, according to the D. Alford family, who really enjoyed every moment of the day.

This has been a very memorable week for local youths who spent five whole days fishing and boating at Lake Wohlford near San Diego. The entire trip was spent camping out, cooking their own meals and enjoying the out-of-doors. Those on the trip included Glen Gilliam, Doug Irvine, Ronald Waters, Kenny Hall, Neal—Stoner and Don Fichtner.

Another P.E. Veteran Retires After 32 Years

Andrew Osgoodby wound up 32 years of service with Pacific Electric Railway today by announcing his retirement. Joining P. E. as a carpenter in 1920, Osgoodby worked at the company's Redondo Beach shop for two years until it burned down, then was transferred to Torrance, where he has been ever since. The Osgoodbys, who reside at 1147 Gardena Blvd., have a daughter, Mrs. Marce Schueck, of 1265 W. 134th St., Gardena. "I just plan to take it easy for awhile and do a little fishing," said Osgoodby contentedly.

OIL RECOVERED
Depleted oil fields at one point in West Virginia were made to yield 357,000 barrels of oil after injection of high pressure gas.

Stansburys upon the birth of their daughter, Elena Marie, who weighed 6 pounds and 3 ounces and was born at the Hawthorne Hospital. The Stansburys reside at 17508 Corise Ave.

Very beautiful services were held at the Park View Lutheran Church last Sunday as some 200 children listened to the very inspiring music and watched a movie on the Resurrection of Christ.

Sorry to hear that Mrs. Mona Muck, 17202 Falda Ave., has been so ill.

Mr. and Mrs. John Lush and Mr. and Mrs. Dave Dyer both spent the Easter Sunday at the home of their parents in Costa Mesa.

All those up and down the street wish a very happy birthday to Kenneth Simpson.

A very unusual baby shower was given this week for Mrs. Reason, 4228 W. 178th Pl. Month-old LoAnn Patricia was present and enjoyed it, too. The friends in the community gave the newcomer a highchair and pad. Friends from the old neighborhood in Westchester brought many pretty things for little LoAnn. The Reasons have long wanted a baby and were very happy to adopt this charming little girl. Best of luck to one of the happiest families in North Torrance!

Come Monday we take our young hopeful by the hand and enter the halls of learning, North Torrance Elementary will be crowded with prospective kindergarten children. The mothers will be served coffee, but there's nothing to be nervous about, for any 5-year-old who can name every channel on the television and can "sound off for Chesterfield" will be able to state his own name and address. (We hope.)
